Services:

- Community Services Block Grant Outreach Services (CSBG): CSBG funds support efforts to identify, reduce or eliminate the causes of poverty and to help solve problems that block the achievement of economic self-sufficiency. The purpose of CSBG is to reduce poverty, revitalize low-income communities and empower low-income families and individuals to become more economically self-sufficient.
- Low-Income Home Energy Assistance Program (LIHEAP): Provides assistance with energy costs for households who are income-eligible and responsible for home heating costs.
- Winter Care: Provides assistance to income eligible households with a disconnect notice on electric or gas bills.
- CSBG Emergency Funds: These funds are available to assist households in emergency situations such as loss of home from fire, homelessness or eviction notice.
- Emergency Food and Shelter: Funds for this program are only available in Whitley County.
- Weatherization: Improves energy efficiency of low-income households by insulating, repairing/installing energy efficient heating systems, repairing/replacing doors and windows and various other energy saving improvements. This program serves low-income homes of the elderly, the disabled, and families with young children.
- Educational/Scholarship Program: Scholarships are available to one graduating senior from each of the six area high schools in Bell and Whitley counties. These students must be nominated by their school counselor in order to be considered.
- Housing Initiatives: Assists low-income households to qualify to become homeowners. Also assists current homeowners with rehabilitation needs.
- Kentucky Vision Project: Assists adults meeting income guidelines with eye exams and the purchase of eyeglasses.
- Needy Meds Program: Helps with prescription costs for qualifying individuals.
- Emergency Services Grant (ESG): Provides assistance for the homeless and prevention of homeless.
- Workforce Investment Act (WIA Adult): Delivers tiered levels of services to adults, dislocated workers, and job seekers. Services include On the Job training, Classroom training and Supportive Services.
